Best Doctors is now Teladoc Medical Experts SAME GREAT SERVICE, BUT WITH EASIER ACCESS.

We wanted to let you know that as of January 1, 2022, members can access all of their Teladoc benefits from the same convenient location, including Best Doctors expert medical services. The service name is also changing. The suite of services provided under the Best Doctors expert medical services program will now be referred to as Teladoc Medical Experts. With Teladoc Medical Experts, members receive the same care and approach to service, with expanded access to world-renowned physicians and their opinions by web, phone, or mobile app.
Members with existing Teladoc telemedicine benefits, who have already registered for their services, will not need to re-register. Should members have both telemedicine and expert medical services, upon logging into the Teladoc mobile or desktop application (Teladoc.ca), they will see Teladoc Medical Experts services conveniently located along side telemedicine benefits. Members who do not currently have telemedicine benefits, or are logging in for the first time, will need to register by creating an account.
This represents an enhancement to the current suite of services by providing members more options for initiating a Teladoc Medical Experts case and increasing the convenience for members who subscribe to multiple services. As a reminder, all members who hold Chambers Plan Extended Health coverage have access to Teladoc's telemedicine service, and all members who hold Chambers Plan Life coverage have access to Teladoc Medical Experts services.
In order to access these services, members can visit Teladoc.ca, call 1-877-419-2378 or download the Teladoc app available for Apple and Android.

Out-of-Province/Country Travel Medical Emergency Coverage

With the federal government once again advising against non-essential travel, we have been receiving increased questions about the potential impact to Chambers Plan's Out-of-Province/Country coverage. At this time, all coverage offered through Chambers Plan remains unaffected, regardless of the travel risk level.
For a medical emergency while travelling, please call the 24-hour emergency medical travel assistance at 1-800-465-6390 (within Canada/US) or 1-514-875-9170 for all other countries. This number is also located on the back of your benefits card and we ask that you take that with you when travelling.
For the most current travel advisories, please visit the Government of Canada website.
